

Bedford Barracudas Swim Team 2018
Parent Support Contract
(Only one form required per family)

Family Name: _____

Home Email: _____ Phone: _____

We need every family to actively participate in the Bedford Barracudas Swim Team for events to run smoothly and successfully. It has been agreed that all families must commit to a number of volunteer hours during the season. This figure is based on the enrollment of the team and the number of meets and activities scheduled for the season. For the **2018** season, each family will be required to work **eight (8) hours**.

All events will be available for sign up on **Sign Up Genius**. Volunteer hours will be confirmed and tracked by the Volunteer Coordinator. If unable to fulfill a registered shift, it is the volunteer's responsibility to provide adequate coverage.

Job descriptions and details will be explained at the mandatory Parent Meeting and Merchandise Pick Up Night on **June 7th**, from **6:30 to 7:15 pm** at The Bedford Public Library in the McAllister Room. Parking is limited at the library so please utilize parking at the Bedford Commons Park (Entrance on Bell Hill Road). The meet schedule will be confirmed and available that evening.

The Bedford Swim Team will be collecting a **\$125.00** deposit per family – in addition to the registration fee – that will not be cashed but held until the end of the season. Upon completion of the eight (8) volunteer hours, your check will either be shredded or you may provide a self-addressed stamped envelope for the return of your check (see below). At the end of the season, if the required number of volunteer hours have not been fulfilled, the deposit will be cashed at that time.

I agree to volunteer the required number of hours designated for the **2018** Bedford Barracudas season. I have read and understand the volunteer policy requirements and the fine for failing to fulfill the required number of volunteer hours.
